CSLF Launches Redesigned Web Site

Web Site Sections Provide Easy Access to Information and Services within CSLF

Rocky Hill, CT – August 27, 2007 – The Connecticut Student Loan Foundation (CSLF) is pleased to announce that it has redesigned its Web site for easier navigation, improved appearance, and expanded content. This new Web site also serves as the portal to EnRoute, CSLF's internet-based loan processing and management system and can be visited at www.cslf.com.

CSLF's new homepage provides direct access to three separate Web site sections, each representing a different division of CSLF – Guarantor Services, the guaranty division of CSLF; Susie Mae, the lending division of CSLF; and Invest in your Future, the early awareness and college planning division of CSLF. Each section provides comprehensive information and interactive tools along with quick links for fast and easy navigation to frequently visited pages. Navigating between sections is simple and requires a single click.

The Guarantor Services section provides information and tools for students and parents, borrowers, and school and lender partners from Guarantor Services, the guaranty division of CSLF. Students and parents can access customizable tools to assist in making wise borrowing decisions. Borrowers can read about loan repayment options, download deferment and forbearance forms, access default prevention tools and materials, apply for a loan, and complete a Master Promissory Note. Schools and lenders can access a number of online resources and tools, including loan processing services, forms, training registration, policy and regulatory information, and more.

The Education Loans section provides information about loan products and services from Susie Mae, the lending division of CSLF. Students and parents can evaluate their loan options, apply for a Susie Mae loan, request materials, and access interactive loan tools and calculators designed to educate borrowers and promote successful repayment.

The College Planning section provides college-bound students and their families with important and timely information from Invest in your Future, the early awareness and college planning division of CSLF. Families can learn the best approaches to plan for college, apply to college, and pay for college. This section also provides interactive worksheets, high school planners, college application and interview tips, financial aid information, and college financing and budgeting tools.

CSLF welcomes the opportunity to provide important and timely online information, tools, and resources regarding all aspects of higher education funding. For more information visit **www.cslf.com**.

ABOUT CONNECTICUT STUDENT LOAN FOUNDATION – *The Connecticut Student Loan Foundation is a non-profit corporation that administers, guarantees, and finances loans within the Federal Family Education Loan Program (FFELP) and alternative student loan programs. CSLF promotes access to higher education by helping families plan for and pursue a postsecondary education. CSLF has more than 40 years of experience providing assistance to students, parents, and industry partners.*

ABOUT GUARANTOR SERVICES – *Guarantor Services, the guaranty division of CSLF, provides quality support and superior customer service to borrowers and loan partners throughout the nation. The role of CSLF Guarantor Services expands far beyond the guaranty and delivery of student loans to include borrower-focused initiatives and pro-active loan processing solutions. Services include early college planning, customized default prevention, loan processing and application functions, education and training, and community outreach.*

ABOUT SUSIE MAE – *Susie Mae, the lending division of CSLF provides affordable borrowing solutions for students and families throughout the nation. Susie Mae offers fee-free and reduced rate federal loans along with affordable and convenient private loans. Susie Mae also provides comprehensive tools and resources to help educate borrowers and promote successful student loan repayment.*

ABOUT INVEST IN YOUR FUTURE – *Invest in your Future (IF), the early awareness and college planning division of CSLF, provides free outreach services regarding college planning and the financial aid process. The IF program is designed to promote college access and awareness and includes a toll-free hotline, community presentations, material distribution, online resources, and much more.*
